

## ***Pilgrimage Into Truth***

*"When the soul goes further in the path of knowledge it begins to find: "Yes, there is something which feels itself, which feels the inclination to call itself 'I'." There is a feeling of "I"-ness, but at the same time all that the soul identifies itself with is not itself. The day when this idea springs up in the heart of man he has begun his journey in the path of truth."*

*"It is very difficult to explain the meaning of the word "false ego. " The best I can do is to say that every inclination which springs from disregard of love, harmony, and beauty and which is concerned with oneself and unconcerned with all others is the false ego."*  
**Hazrat Inayat Khan**

There are two dimensions of Reality that the spiritual path explores. It might be called the vertical and the horizontal, the transcendent and the cosmic, the eternal and the finite.

In terms of identity there are two dimensions as well - the historical and the eternal. This retreat will explore these two dimensions of identity (ego). We will examine psychological elements that are a part of our historical self and thereby awakening to the "true self". We will explore the role of spiritual practice in this process. Finally we will deepen our realization of how each of us

may embody and act from our true self within everyday existence.

**Himayat Inayati, M.S., Th. D.**, has been studying Hazrat Inayat Khan's universal Sufism for forty-six years. He worked closely with Pir Vilayat Inayat Khan while serving as International Kefayat of The Sufi Healing Order for twenty years. During that time he created twenty-seven international and national conferences addressing the evolution of spirituality and science in education, healing, and health care. He created The Raphaelite Work™ - a method of healing and embodied transformational process through presence, inquiry and touch. Himayat has presented the teaching

of Hazrat Inayat Khan on spiritual liberty in fourteen different countries. He taught at Season of the Rose 2015 & 2017 and at the Zenith Swiss Alps Camp in 1990 and 2017.
