TESTIMONIALS

“He creates transformative workshops that expand your inner dimension. You will undoubtedly learn useful things and acquire useful skills but I have found that the main thing you will uncover is often unexpected, soft and sweet. Something that has always been part of you but was hidden.” – J. Buechel, New York

“I love the attunement that Himayat brings. Doing practices and cultivating awareness with his support feels natural, practical, and fun. Just one thing he mentioned has supported my growth all year. I look forward to his next visit!” - J. D’Addario, Wa.
