Drawing upon 37 years of Sufi practice as taught by Hazrat Inayat Khan, Pir Vilayat Inayat Khan, Murshid Samuel Lewis, Sheikh Mansur Johnson, by Mevlana Jelaluddin Rumi and Sheikh al Akbar Ibn al Arabi, Himayat will present the essence of Sufi practice, with special emphasis on fundamental practices that can create a positive impact in your personal as well as in the collective life on the planet. Participants may register for either, or both, of these weekend events. Although the material will be presented in a somewhat sequential manner, participants can gain a great deal by attending either workshop. Himayat has spent years digesting Sufi practice handed down through the past millennium, and presents this work in a truly universal manner, attending specifically to significant personal and collective issues in our time.
